

Axle Stands

The safe and robustly designed Axle Stands from Stertil-Koni are available in 5 models. Available in various model sizes; a low, mid and high range and with a capacity of 8,500 and 12,000 kg.

- Easy and ergonomic manoeuvrability
- Excellent accessibility
- Durable and robust
- Improved Standard Adapter
- A fine adjustment adapter is available for all models
- Compliant with the stringent ASME/PASE 2019 standard
- Tested with a static load based on 200% of the rated capacity
- Testing has been performed asymmetrically equal to rated capacity
- Spring-Loaded wheels for easy stand positioning
